

Quality Policy

Earthood is committed to undertake and execute business while ensuring that it renders the quality services to its customers and keeping the following principles embedded into its management system;

- a) Impartiality: Maintaining impartiality at individual and organizational level
- b) Competence: Employing competent personnel while undertaking and executing the assignments
- c) Professionalism: Ensuring high level of professionalism and taking due care of the trust placed by clients and intended users
- d) Fair presentation: Being factual and objective in assessments
- e) Confidentiality: Keeping the information received from client confidential unless otherwise required by the law/standards and keeping client informed suitably
- f) Continual improvement: Keeping the QMS up-to-date

A handwritten signature in purple ink, appearing to read 'Anil Singh', is written over a horizontal line.
